

# NYC GALA | OCTOBER 6, 2022

Magic Bus USA is a global nonprofit focused on alleviating poverty for vulnerable youth in India and across Southeast Asia through our impactful Childhood to Livelihood programs.

Last year, we taught essential life skills to nearly **400,000** marginalized adolescents and connected **80,000** young adults to jobs. Our approach is proven to delay childhood marriage, further education achievement and improve economic opportunity for our program participants.

Thanks to the generosity of our supporters, we are able to bring magic and sustainable impact to our beneficiaries.
